

Wythnos Fy Ynys Ddychmygol i / My Fantasy Island Week

Antur Creadigol / Creative Adventure

Byddwch yn cael pythefnos i gyflawni'r antur yma

You'll have two weeks to complete this adventure

Wythnos yma, beth am i ni deithio i'n byd bach dychmyg... A ydych chi wedi cyrraedd yna eto? Beth ydych yn ei weld? A ydych yn gweld ynys o gwbl? Beth yw'r enw'r ynys? Beth allwch chi wneud yno? Beth sydd ar yr ynys? Beth mae'r ynys wedi cael ei greu allan o?

Wythnos yma ac wythnos nesaf rydw i eisiau i chi greu model o'ch ynys. Gallwch chi ddefnyddio unrhyw adnoddau i greu'r ynys. Efallai gallwch chi ddefnyddio defnyddiau ail-gylchu neu lego? Neu beth am greu ynys ar-lein yn defnyddio Minecraft?. Os ni ydych yn gallu cael adnoddau i greu model o'ch ynys peidiwch â phoeni gallwch chi greu ynys ar bapur hefyd. Eich Ynys CHI yw e, felly defnyddiwch eich dychmyg.

This week, let's travel to our little world of imagination. .. Are you there yet? What do you see? Can you see an island at all? What's the name of the island? What can you do on the island? What's on the island? What is the island made out of?

This week and next I want you to create a model of your island. You can use any resources to create the island. Maybe you can use recycled materials or lego? Or why not create an online island using Minecraft ?. If you can't find resources or material to create a model of your island don't worry you can draw an island if you prefer.. It's YOUR Island, so use your imagination.

Antur Rhif / Number Adventure

I gyd-fynd efo'r wythnos 'Fy Ynys Ddychmygol i' beth am gynllunio eich ynys yn gyntaf cyn mynd ati i greu model o'r ynys. Yn gyntaf gallwch chi greu gridiau eich hunain neu argraffu copi o'r gridiau byddaf wedi atodi ar Google Classroom a Seesaw i chi. Yna mapiwch amlinelliad o'ch ynys. Ar ôl i chi wneud hynny, rydw i eisiau chi ychwanegu amryw o bethau ar eich ynys.. Defnyddiwch eich dychmyg i wneud hynny, cofiwch mai ynys chi yw e. Ar ôl chi orffen, dwi eisiau chi ysgrifennu rhestr o bethau sydd ar yr ynys, ac yn defnyddio'r grid gallwch chi ddweud wrth ym mhle ar y map mae o. Darllenwch ar draws y grid yn gyntaf ac yna i fyny. (Mi fydd yna fideo yn rhoi fwy o gymorth) Esiaml: Llogsfynydd (B3+B4) , Llong (C4)

To coincide with the 'My Fantasy Island' week, why not plan your island first before creating a model. First you will need to create your own grid or print out a copy I've attached on Google Classroom and Seesaw for you. Then map out an outline of your island. Once you've done that, I want you to add various things on your island. Use your imagination, remember it's your island. When you finish, I want you to write a list of things on the island, and using the grid you can tell where it is on the map.

Read across first and then up. (I will post a video on GC and Seesaw for extra support)

Example: Volcano (B3,B4) , Ship (C4)

Antur Meddwl / Thinking Adventure

Eich tasg olaf ar gyfer yr wythnos 'Fy Ynys Ddychmygol i' yw cyflwyno'r ynys i weddill y dosbarth (neu finnau). Mae o hollol fyny i chi ar sut i wneud hynny. Gallwch chi greu cyflwyniad PowerPoint ar HWB / Slides ar Google Classroom neu greu fideo ohonoch yn cyflwyno eich Ynys. Cofiwch i esbonio beth sydd ar yr ynys a beth allwch wneud yno. Esboniwch beth mae'r ynys wedi cael ei greu allan o? A oes ffeithiau diddorol i rhannu? Edrychaf ymlaen at weld eich syniadau.

Your final task for 'My Fantasy Island' week is to introduce the island to the rest of the class (or myself). It's completely up to you on how to do that. You can create a PowerPoint presentation on HWB / Slides on Google Classroom or create a video of yourself presenting your Island. Remember to explain what's on the island and what you can do there. Explain what the island is made of? Are there any interesting facts to share? I look forward to seeing your ideas.
